

## **REMARKS**

The undersigned held a telephone interview with the Examiner on April 26, 2007. During the telephone interview, we discussed the need to amend the preamble of claims 1-9.

By way of Examiner's Amendment, as indicated in the Notice of Allowance mailed June 22, 2007, the preamble of claim 1 was changed to read "A communication terminal having a messaging client comprising..." Yet, claims 2-9 still read "The messaging client of claim 1..."

Pursuant to 37 C.F.R. § 1.312, Applicant amends claims 2-9 to maintain consistency with independent claim 1. No new matter has been added. Should the Examiner wish to discuss this case with the undersigned, the Examiner is invited to call the undersigned at (312) 913-2141.

Respectfully submitted,
